CONTRIBUTIONS TO MEDICAL PUBLICATIONS BY DR. CHARLES RICHARD DREW

1. 1939 - Anhydremia in Appendicitis
Surgical Clinics of North America
Co-author, John Scudder and Lawrence W. Sloan.
2. 1939 - Plasma Potassium Content of Cardiac Blood at Death
American Journal of Physiology, 126; 337 - 340
3. 1939 - Studies in Blood Preservation -- The Fate of Cellular Elements in Relation to Potassium Diffusion
Journal of Laboratory and Clinical Medicine, 25: 240 - 245
Co-author, K. Edsell and J. Scudder.
5. 1940 - Controlled Fluid Therapy
Surgery, Gynecology and Obstetrics, 70: 859 - 867
Co-author, J. Scudder and J. J. Pepps
6. 1940 - Preservation of Placental Blood
American Journal of Obstetrics and Gynecology, 40: 461 - 463
Co-author, J. Scudder and V. D. Demon
7. 1940 - Preservation of Blood
Annals of Surgery, 112: 498 - 501
Co-author, D. C. Bull
8. 1940 - The Serum Potassium of Cadaver Blood
Surgery, Gynecology and Obstetrics, 71: 48
Co-author: M. Smith and J. Scudder
9. 1940 - Thesis: Banked Blood - A Study of Blood Preservation
Columbia University -- Med. D. Sc.
10. 1941 - Newer Knowledge of Blood Transfusions
Bulletin, New York Academy of Medicine, 17: 373 - 398
Co-author, J. Scudder, E. Tuthill, M. E. Smith
11. 1941 - The Early Recognition and Treatment of Shock
American Journal of Anesthesiology, Vol. 3: 176 - 194, Mar. 1942
12. 1941 - Report of the Blood Transfusion Association, Concerning the Project of Supplying Blood Plasma to England.
Blood Transfusion Association, New York
13. 1941 - Fate of Cellular Elements and Prothrombin Incitreated Blood
Journal Laboratory and Clinical Medicine, 21: 1473
14. 1941 - The Pathological Physiology of Peritonitis
National Medical Association Journal --- to be published
15. 1941 - The Treatment of Shock -- Section for 12th Edition of Charles Scudder's book "Fractures" --- in preparation.
